From (Name) V.Ramakrishna Esq., I.C.S., M.L.A.,
(Designation) Director of Industries,

To The Secretary to the Government of Madras
Development Department.

Sir,

I request that the purchase of the following machines involving additional capital expenditure of Rs.800/- may be sanctioned for the Government Industrial School, Bellary and the necessary provision included in Part II of the Budget for 1934-35.

(1) Hack saw machine Rs.350.

Where the work involves cutting of iron material to the required size or angle much time and labour can be saved by the installation of a hacksaw machine, especially where the cut is to have a good finish.

(2) Grinding machine .... Rs.450.

For finishing castings properly or finishing cut edges of

plates and for the execution of other work where filing would be a very laborious process involving much time and labour a grinder is very useful and economical.

The above machines are also necessary for affording the necessary practice to the students in finishing and cutting.

for Director of Industries.

To A.S.

Please see the Director's proposals in the c.f.

2. For the reasons explained by the Director the purchase of the machines for the school may be sanctioned.

3. As the expenditure, although of a capital nature, is on a small scale, it is submitted that the proposal need not be treated as a Part II scheme - vide para 18.A(b) of the Budget Manual. A draft order is submitted for approval. Finance Department may be requested to include the necessary provision in Part I of the budget estimates for 1934-35.
